## CHILDREN WHO HAVE "ACCIDENTS" IN SCHOOL

We know that young children sometimes leave it too late to go to the toilet and occasionally have "accidents" where they may wet themselves.

**Just in case please put a spare pair of pants and socks in your child's PE bag.**

It is usual practice for teaching assistants to help the children change so that they can continue with the school day if we think that they are well enough.

If your child has **soiled** him/herself we will telephone for you to come and take him/her home to wash and change. If we are unable to contact you we will wash and change your child ourselves.

The soiled clothes are put in a plastic bag and sent home for you to wash (the bag will be labelled clearly)

If a child has been **sick** we will contact you so you can take them home.

### PERMISSION

We do need your permission to clean and change your child. Please sign the below form and return to school to allow us to carry this out.

Yours sincerely

**Mr J Williams**

Headteacher

## CHILDREN WHO HAVE "ACCIDENTS" IN SCHOOL

**I understand I will be telephoned to collect/change my sick or soiled child.**

However, if I am not available **I give permission** for my child, should the need arise, to be cleaned and changed at school.
