## Years 5 and 6 Autumn Term Newsletter 2017

Dear Parents, Carers and Children in years 5 and 6,

We would like to wish you a warm welcome back to a new academic year, hoping that the year ahead is a successful one. This newsletter gives a brief outline of the topics for the autumn terms 1 and 2 along with additional information that you may find useful.

The department teaching staff for this academic year in year 6 are: Mrs D Pegden, Mrs E Greenfield, Mr I Millership and Miss L Griffin. Year 5 are: Miss T Jenkins, Mrs M Rowden, Miss N Subramaniam and also Mr A Cowan, who will be teaching a maths group. We are complimented with a strong set of teaching assistants as well, in Year 6: Miss S Coleman, Mrs S Scott, Mrs M White, Mrs C Ray, Mr K Lambert and Mrs R Scott. Year 5: Mr D Turner, Mrs S Mulhall, Mr G Casey, Mrs K Skelton, Mrs S Atkins, Mrs S Cook and Mrs P Bird.

As Year 5 and 6 teachers, we are looking forward to the year ahead with your child and the exciting learning that is planned. The upper school is a fast-paced and challenging department and we are grateful for the support that you give your child at home.

### How Can You Help Your Child?

Please make sure your child arrives in school by 8:45am for their first starter of the day lesson; registration is at 8:55am. Please telephone the office if your child is not well enough to come to school at the earliest opportunity.

We like all children to wear our school uniform with pride. A full uniform list is available on our school website [www.garlingeprimary.co.uk](http://www.garlingeprimary.co.uk) or if you are unsure please do speak to your child's class teacher. All items of school uniform should be clearly named please. We would also request that children wear plain black shoes and not trainers to school. Earrings are permitted, but must be small plain studs please.

Help your child to be organised for Physical Education; make sure they always have a PE kit in school; this should consist of a plain white t-shirt, plain dark shorts, plain dark joggers and plimsolls or trainers. Children with pierced ears will need to remove earrings when taking part in PE lessons; this can be done either at school or at home beforehand.

Please help your child to: learn and practise their times tables daily, read daily using a broad variety of texts, learn any spellings sent home and complete both maths and English homework sent home.

We are proud to have been awarded 'Healthy School' status—we encourage parents to pack a healthy lunchbox for their child, and we discourage chocolate, sweets or crisps. We also encourage children to bring in a piece of fruit to eat at break times. The children should please bring in a water-bottle with a sports-cap lid, which can be filled from our water dispensers during the day.

### Homework

Homework will be set on a regular basis. This will normally consist of: weekly spellings, a weekly maths piece and either a piece of topic based homework, or an English activity. Times tables should also be learnt and practised daily.

### Topics and Learning

All children will work hard on their maths, English and reading skills each morning. Maths will be taught in classes in year 6 and four smaller parallel maths classes in year 5; Mr Cowan will be teaching a maths group each day. The afternoons will consist of topic based activities and the other National Curriculum subjects.

## Year 5 –

Topic: Anglo Saxons

Science: Forces

PSHCE: Me and Keeping Safe

Music: Learning to play the ukulele

RE: Christianity and places of worship

PE: Sports hall athletics, Outdoor Adventurous Activities and also swimming will be every Tuesday at Hartsdown **this term for classes 5A and half of 5B (letters have been sent out)**. Class 5C and the other half of 5B are later on in the school year, details will follow.

## Year 6 –

If you have any resources or expertise in any of these areas please do let us know, so that we can enrich the pupils' learning experiences further.

## Targets

Your child will have targets for maths, reading, writing and science, helping them to move their learning forwards and ensure they make the progress expected of them. Children should know their targets and be constantly working towards achieving them. These will also be shared with you during our parent evenings.

## Important Dates

This is quite a busy term for us all, so please take the time to read the letters that are brought home with the important dates on. These are some of the dates for the term, others will also follow:
