

Infant Agility Festival

On Thursday 5th May 5 girls and 5 boys from year 1 went to Ursuline Sports College to take part in the Thanet schools infant agility festival. They had to throw, jump and run. All our pupils did well and enjoyed the experience of throwing the foam javelins and using a range of equipment. Everyone did very well and were a credit to the school. Each pupil was awarded a certificate and a medal which were presented during our celebration assembly
