

Garlinge Primary School and Nursery

Nursery Sports Day

Monday 13th June 2016

Dear Parents/Carers

Our School sports days will be coming up very soon and will be held on the school sports field. On your child's particular day we would ask that you make your way to the designated spectator area on the school field, via the children's entrance on Westfield Road. There will be no seating provided, however you are welcome to bring a picnic blanket or chair with you. We would like to take this opportunity to remind you not to bring any pets with you, and not to smoke on the school premises. The entrance way must be kept clear as it is an emergency exit, so please do not block it.
