

“Inclusion at our Heart”

23rd October 2015

Dear Parents & Carers

It's almost half term already and I would like to wish the children a happy break and look forward to seeing everyone back at school refreshed and raring to go on Monday 2nd November.

I would like to take this chance to thank all the year 1 children who came and performed the Harvest assembly so beautifully to the rest of the school and their parents over the last couple of days – we were all very proud of them. Also, in response to parental feedback, we have worked with our website provider to make the school website much more user-friendly when accessing it via smartphone. We will continue to make the website better and more informative to you and if you have any more suggestions as to how we can further improve our communication, they would be most welcome.

Headteacher

Thanet Primary Schools Cross Country held at Quex Park on Saturday 10th October.

Well done to the 30 children, and a big thank you to their families, for attending the event at Quex Park.

All the children ran really well with the majority finishing in the first half. A particular well done to George for coming 8th in his race, to Oliver for being the only boy representing his year group and Kyron for showing great perseverance. We look forward to seeing to you and, hopefully, a few more at the next Cross Country at Quex Park in February.

Harvest Festival

Thank you very much for making our Harvest Festival on Friday 23rd October a success.

We have donated your many gifts to the Thanet Food Bank.
