

Garlinge Primary School and Nursery
Parent, Teachers, Friends Association
(PTFA)

The PTFA has been established, successfully, for a number of years in the school. We hold fund raising activities where the money goes to providing your children with many 'extras' that may not be able to be brought by school.

We have social functions to enable parents to meet up in an informal atmosphere and run children's events.

All parents are automatically members of the PTFA but it is the elected committee who run the association and make final decisions.

Without this committee there would be no PTFA.

We also have a list of helpers who could be called upon to help out at bigger fund raising events.

If you would like to join or know more about the committee or feel that you would like to be on our helpers list please complete the form below. I will then contact you, informally, once your child has started school.

Many thanks
