3.6 School staff (admin/office)

School staff will:

- Take calls from parents about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents to the attendance officer in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not

Parents are expected to:

- Make sure their child attends every day and on time

- Call the school or the school's online communication app to report their child's absence before 9.00am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child. If the child is in Early Years Foundation Stage, provide more than 2 emergency contact numbers, where possible
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting the family support team who can be contacted via the main school office.

3.8 Pupils

Pupils are expected to attend school every day and on time.

RECORDING ATTENDANCE

4.1 Attendance register

The school will keep an electronic attendance register and place all pupils on this register.

The school will take our attendance register at the start of each morning session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending a place other than school
- Absent
- Absent - unable to attend due to unavoidable causes

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name a position of the person who made the amendment

The school will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

(Refer to section 11 for the DfE attendance codes.)

The school will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day times are:

Garlinge Primary School and Nursery	Parkside Community Foundation Primary School
Start 8.45am/Finish 3.15pm	Start 8.40am/Finish 3.10pm

The register for the first session will be taken at 8.45am and closes at 8.55am. The register for the second session will be taken after lunch.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.45am or as soon as practically possible by calling the school office or sending an absence report on the school's online communication app.

The school will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 3 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. The school will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance and provides evidence of the appointment. This can be done by sending a request on the school's online communication app with an attachment or coming into the school office.

However, the school will encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Pupils arriving after this time must enter school by the main entrance and report to reception where their name and the reason for lateness will be recorded.

Frequent lateness after the register has closed (U) will be discussed with parents and could provide grounds for prosecution or a Penalty Notice.

Penalty Notice Proceedings for Lateness

Penalty Notices are issued in accordance with Kent County Council's Education Penalty Notices Code of Conduct effective from January 2016, as revised in June 2020, when:

- 10 incidents of late arrival after the registers have closed during any possible 100 school sessions leads to a Penalty Notice Warning Letter
- The Penalty Notice Warning Letter sets out 15 school days during which no unauthorised absence is to be recorded
- If unauthorised absence is recorded during the 15-day period, a Penalty Notice(s) will be issued (one per parent per child)

Where a Penalty Notice is not paid within 28 days of issue the Local Authority will instigate court proceedings.

4.5 Following up unexplained absence

Where any pupil who is expected to attend school does not attend, or stops attending, without reason, the school will:

- Send a message on the school's online communication app on the first day of unexplained absence to ascertain the reason. If the school do not receive a response on their communication app the school will call the pupil's parent on the morning of the second day of unexplained absence. If the school cannot reach any of the pupil's emergency contacts, the school may carry out a home visit to the pupil's address or ask the police to carry out a welfare check.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent on each day that the absence continues with explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving their School Liaison Officer.
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with, a Notice to Improve will be issued in which the pupil will need to make a significant improvement in their attendance for 20 days. If this is not successful, further legal action may be considered. For penalty notices or other legal interventions please see section 5.2 below.

4.6 Reporting to parents

The school will inform parents about their child's attendance and absence levels via yearly written reports.

AUTHORISED AND UNAUTHORISED ABSENCE

5.1 Approval for term-time absence

The Executive Headteacher/Heads of School will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Executive Headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview for employment or for admission to another educational institution
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Executive Headteacher's/Heads of School discretion, including the length of time the pupil is authorised to be absent for.

The school defines 'exceptional circumstances' as:

- Service personnel returning from a tour of duty abroad where it is evidenced the parent will not be in receipt of any leave in the near future that coincides with school holidays
- Where an absence from school is recommended by a health professional as part of a parent's or child's rehabilitation from a medical or emotional issue
- Medical emergencies
- Family emergencies e.g. (the death or terminal illness of a relative)
- To attend a wedding or funeral of a person close to the family
- Any strong personal reasons why a family might need to take a child away from school for a short break

Leave of absence will not be granted for a pupil to take part in protest activity during school hours. As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the

school office. The Executive Headteacher/Heads of School will require evidence to support any request for leave of absence.

5.2 Other reasons for authorised absence

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental illness) and medical/dental appointments (see section 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

5.3 Absences from the school site (which are not classed as absences)

The Executive Headteacher/Heads of School will allow a pupil to be absent from the school site for certain educational activities, or to attend other schools or settings. These are not classified as absences. Reasons include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

STRATEGIES FOR PROMOTING ATTENDANCE

We want our pupils to succeed, develop their skills and have maximum access to all learning opportunities. To do this, pupils need to avoid missing lessons and days off school as much as possible. As a school, we want to reward high attendance and not just penalise pupils for poor attendance. The ways in which the school reward high attendance are:

- Celebrating 100% attendance with daily class certificates
- Attendance is displayed on boards in corridors in year areas
- Assemblies are held on weekly celebrating attendance and punctuality and classes are rewarded with Attendance Ted and Punctuality Pup for 100% weekly attendance
- Medals are rewarded to pupils who achieve 100% attendance for the year
- Challenges and incentives are held termly for pupils who achieve 100% attendance during the challenge time set

- Pupils are rewarded with an Attendance Award certificate for each term they achieve 100% attendance

SUPPORTING PUPILS WITH POOR ATTENDANCE

Our school will make use of the full range of support and potential actions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

7.1 Education supervision order

In cases where voluntary early help plans have been unsuccessful, we may work with the local authority to issue an education supervision order. If an education supervision order is considered, the local authority will inform the parent(s) in writing and will set up a meeting.

An education supervision order is a formal intervention but **not** criminal prosecution. An education supervision order initially lasts for 1 year, but it can be extended within the last 3 months for a period of up to 3 years at a time.

In cases where parents persistently fail to meet the directions given under the education supervision order, they may be liable to a fine up to £1000 upon conviction.

7.2 Notice to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notice to improve will be issued in line with processes set out in the local code of conduct for the local authority in which the pupil attends the school.

It will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under section 7 of the Education Act 1996
- Details of the support provided so far
- Opportunities for further support or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued, or prosecution considered, if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

7.3 Penalty notices

The Executive Headteacher, Heads of School, local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

8. SUPPORTING PUPILS WHO ARE ABSENT OR RETURNING TO SCHOOL

8.1 Pupils absent due to complex barriers to attendance

If the school becomes aware of barriers that relate to the pupil's needs, we will inform the local authority. We work with families and create strategies for removing in-school barriers by:

- Meeting with a familiar adult to support pupil into school each day
- Putting morning interventions in place if appropriate
- Regular check-ins with the pupil
- Meeting with parents and pupil to discuss barriers to attendance – what’s working well and what do they find challenging in school
- Putting a plan in place to support pupil’s emotions and feelings
- Monitor and regular meetings with pupil and parent

8.2 Pupils absent due to mental or physical ill health

- Meet with parents to complete or update a care plan
- Meeting with parents (and pupil if appropriate) to discuss a transition plan to school eg a planned, time limited transition timetable to support need
- Meeting with a familiar adult to support pupil into school each day if necessary
- Regular check-ins with the pupil
- Monitor and regular meetings with pupil and parent
- Support from Family Support Team and Nursing Team, if appropriate

8.3 Pupils absent due to other barriers to attendance

- Meeting with a familiar adult to support pupil into school each day
- Morning interventions in place if appropriate. E.g. Drawing and talking, ELSA
- Put a transition timetable in place with regular reviews
- Regular check-ins with the pupil
- Meeting with parents and pupil to discuss barriers to attendance – what’s working well and what do they find challenging in school
- Emotional Based School Avoidance meeting with child, parent, SENCO and teacher
- A plan is put in place to support pupil’s emotions and feelings
- Monitor and regular meetings with pupil and parent
- Consultation with the Educational Psychology team for support

Part of Ofsted’s criteria for ‘expected standard’ for attendance and behaviour says that any reasonable adjustments and/or interventions should be timely and appropriate, well-chosen and targeted.

Where a pupil has an Education Health and Care Plan (EHCP) and their attendance falls, the school will inform the local authority.

8.4 Pupils returning to school after a lengthy or unavoidable period of absence

- Meeting with parents and pupil if appropriate to discuss transition back to school
- Meeting with a familiar adult to support pupil into school each day
- Morning interventions in place if appropriate
- Regular check-ins with the pupil
- A plan is put in place to support pupil’s emotions and feelings if necessary
- Monitor and regular meetings with pupil and parent

8.5 Prolonged absence for children in the EYFS

In cases of prolonged absence, or when a pupil is absent without notification, we will attempt to contact the pupil's parents and alternative emergency contacts.

When deciding whether a pupil's absence should be considered prolonged, we will consider the:

- Patterns and trends in the pupil's absences and their personal circumstances
- Vulnerability of the pupil and their parents, as well as the circumstances of their home life

We will also implement our safeguarding procedures (see our child protection/safeguarding policy available on the school website) and refer any concerns to local children's social care and/or request a police welfare check.

9. ATTENDANCE MONITORING

9.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level. Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the governing body.

9.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

9.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to Heads of School, class teachers and other school leaders to facilitate discussions with pupils and families and to the governing body and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

9.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with parents of pupils who the school (and/or local authority) considers to be vulnerable, or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 7, above)

10. MONITORING ARRANGEMENTS

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by Senior Leadership team. At every review, the policy will be approved by the full governing body.

11. LINKS WITH OTHER POLICIES

This policy links to the following policies:

- Child Protection Policy
