

Duck Diary Day 11

Today we said goodbye to two more ducklings. They are getting really big and are more than ready to go to their new homes. Mrs Northrop has chosen two ducklings to take to her friend's farm.

Miss Stannard gave them a big cuddle before they went.

The two ducklings are having a sleepover at Mrs Northrop's house for the weekend before their new adventure. I think they are enjoying the cuddles!

The last two ducklings are off to Mrs McLevy's for the weekend again and will be staying in class for a few more days until they move to their new home. I am sure they will enjoy their weekend.
