

This week our parents came to join us at Forest School. We had lots of fun showing our parents how to stay safe around the fire circle and how to toast marshmallows. They were delicious!

We enjoyed showing our parents the mud kitchen and the farm. The parents enjoyed playing in the mud kitchen and meeting our animal friends. We also enjoyed having a turn on the zip wire.

We had a fantastic time in the fairy village working with our families to create bracelets using fairy breath. We also had a brilliant time working in teams to build houses for the fairies.
