

Forest School – Week 6

We had another great week at Forest School! We shared the story of the Gruffalo by Julia Donaldson and went looking for the characters that were hiding around the forest.

Can you see where the animals are hiding?

We paid a visit to the mud kitchen to make some of the foods that were in the story.

*Anyone care for a helping of Gruffalo
Crumble? Or scrambled snake?*

We then went to the tools area and used a bow-saw! We had to make sure we followed the rules to keep safe. We used a glove and held the saw carefully to cut a wood cookie. We then decorated our wood cookies.
