

Garlinge Primary School and Nursery

Harvest Festival Food Collection

11th October 2021

Dear Parents and Carers,

Following a long established tradition at Garlinge Primary School and Nursery, we will once again be holding our Harvest Festival assemblies for Year 1 parents and carers on Monday 18th and Tuesday 19th October in the Sports Hall.

As we have done previously, we are asking our school community for donations of food that will then be given to Thanet Food Link. All of the items we receive will then be used to produce food parcels which can be accessed by those in need in Thanet. At the moment they have a real shortage of tins of vegetables and fruit, dried foods, packets and cartons (non-perishable foods only).

We will be grateful to receive any contributions you feel able to make; all produce will be displayed in the Sports Hall for the children to see.

Parents and carers:- please ask your child to take their contribution to their class on **Friday 15th October** - Many thanks for all donations.

Yours faithfully

Mr Cope & Mrs Northrop
Heads of School
