

Garlinge Primary School and Nursery

17th June 2021

Dear Parent and Carers,

Following the recent update from the government, and in accordance with government guidelines and our school risk assessments, we have taken the difficult decision that we will be unable to have spectators at our sports events during our Health and Well-being week.

We understand that this will be disappointing, but hope that you understand why this decision has had to be made to ensure we keep our school community safe.

The good news is that the children will still be able to participate within their bubbles in a fun packed week of various activities. We plan to create as many memories as possible and will be producing a video montage of the events to be able to share with everyone as well.

As this year has been so challenging for so many of our children we wish to make the week a real celebration and we will be rewarding every child a special Garlinge medal to celebrate their achievements. We have also managed to secure a visit from Rachel Laybourne, a previous GB Volleyball player who played in the London 2012 Olympics.

During the week starting **Monday 28th June through to Friday 2nd July** we would like children to wear their sports clothes every day. The clothes must be suitable for 'active' activities, such as a t-shirt and shorts, jogging bottoms and school jumper.

On the day of your child's house competition below, we ask that they wear their normal PE kit to school please.

Can we also take this opportunity to remind you to apply sun cream before school, bring in a sun hat to be worn and to ensure that your child has a named water bottle with them as well.

Thank you as always for your understanding and support and we look forward to enjoying a really special week at Garlinge.

Kind regards

Mrs L Sparkes
