<p><u>English</u></p> <p><u>Focus-To use punctuation accurately in a sentence</u></p> <p><u>Warm up</u> Talk to an adult about the different punctuation marks and what they are used for. Practise using each one in a sentence of your own.</p>  <p><u>Main lesson</u> Have a go at the punctuation practice exercise in the resources section. Remember to write the sentences using your neatest handwriting.</p>	<p><u>Maths</u></p> <p><u>Focus-To explain the value of each digit in a 4 digit number</u></p> <p><u>Warm up</u> Start the lesson by chanting and reciting the 7 and 8 times table. Ask an adult to test you on some mixed questions using your 7 and 8 times tables. How quickly can you answer? Try to be as quick as you can. If you are currently working on a different times table, practise that one instead.</p>  <p><u>Main lesson</u> https://www.bbc.co.uk/bitesize/articles/zhnrcqt Using the link above, have a go at the activities on BBC Bitesize where you will explore place value in 4 digit numbers.</p> <p>Then have a go at the questions in the resources section.</p> <p><u>Optional Challenge</u> Look in the resources section and have a go at the challenge activity.</p>	<p><u>Geography</u></p> <p><u>Focus-To explore how to read a map and compass</u></p> <p>Use the link below to enjoy a fun geography lesson exploring how to read a map and compass.</p> <p>https://www.bbc.co.uk/bitesize/articles/zkngrj6</p>

Thursday

English

Focus-To show understanding of a text about St George

Today is St George's Day.

Warm up

Talk to an adult about what you already know about St George.

Main lesson

Have a go at the St George's Day comprehension in the resources section.

Maths

Focus-To understand how to find 1000 more/1000 less than a given number

Warm up

Start the lesson by reciting/chanting your 8 and 9 times table. Try to invent a fun action or movement to help you practise e.g. a star jump for every multiple etc.

Main lesson

<https://www.bbc.co.uk/bitesize/articles/zd9hpg8>

Use the link above to help you explore 1000 more/1000 less.

There are lots of lovely suggested activities to have a go at here so have fun and feel free to adapt the ideas if you haven't got the resources the suggest. For example with the 'Hook a duck' activity, if you haven't got a magnet, you can close your eyes to pick a duck.

Optional Challenge

Have a go at the challenge activity in the resources section.

Topic

Focus-To research and present facts about St George and St George's Day

See what else you can find out about St George and St George's Day.

You may wish to find out more about how it is celebrated.

Present the information you find out in you chosen way e.g.

- Poster or Leaflet

Friday

English

Focus-To identify different types of pronouns and when to use them instead of a noun

Warm up

Talk to an adult about the definition of the following:

- Noun
- Verb
- Adjective
- Adverb

Can you give some examples?

Main lesson

<https://www.bbc.co.uk/bitesize/articles/z64q7nb>

Use the link above to help you explore pronouns and when to use them instead of nouns.

Maths

Focus-To understand how to round numbers to the nearest 10,100 or 1000

Warm up

Play 'Fastest Fingers' to help you practice your times tables. You need a partner. Each player puts their hands behind their backs. On the count of 3, you reveal your hands with a chosen numbers of fingers showing. Look at both hands to see what the 2 numbers are. The first person to multiply the numbers together gets a point. Repeat 10 times until you have a winner.

Main lesson

<https://www.bbc.co.uk/bitesize/articles/zjf492p>

Use the link above to help you explore rounding to the nearest 10, 100 or 1000. There are lots of really good suggested activities here.

Optional Challenge

Have a go at the challenge activity in the resources section.

Art

Focus-To use my artistic skills to represent what I have learnt about St George's Day

Have a go at completing a piece of art work linked to your learning about St George, e.g. a painting depicting the story.

There are some good ideas if you follow this link.

<https://www.activityvillage.co.uk/st-georges-day-crafts>

Take a photo of your finished piece if you wish.

Other activities for the week

- Plan and make lunch/breakfast for someone in your family.
- On your daily outdoor exercise, see how many different species of birds you spot. Which ones can you name?
- Write a review of a favourite film or tv programme that you have watched.
- Continue to use Times Table Rockstars to practice your times tables.
- Read daily if you can-this doesn't always have to be a book. Why not read a magazine or comic? Maybe look through a cookery book to get some ideas of new meals you would like to try.
- Listen to music and discuss how certain songs/pieces of music make you feel.

Resources

Wednesday English

Main lesson

Please copy out the following sentences in your neatest handwriting and add the correct punctuation.

1. where have you been all day
2. ill need two things a tent and a sleeping bag
3. i dont believe it
4. youre my friend my very best friend
5. how awful
6. please could you fetch me three apples two pears a peach and a carton of orange juice
7. if you dont stop that immediately im going to
8. dont do that actually never mind
9. move along theres nothing to see the police officer said
10. thomas has five hundred pounds £500
11. come back thats benjamins bike she yelled
12. shenika cant stand fruit cake benny will eat it

Place Value

A. Can you write the following amounts in numerals?

1. Three thousand, five hundred =

2. One thousand, three hundred and eight =

3. Eight thousand, seven hundred and one =

4. Two thousand, nine hundred and two =

5. Six thousand and sixteen =

6. One thousand, nine hundred and nineteen =

7. Five thousand, five hundred and five =

B. What are the values of the underlined digits?

1. 889 =

2. 165 =

3. 442 =

4. 821 =

5. 1595 =

6. 2655 =

7. 1101 =

8. 7071 =

9. 8888 =

10. 6707 =

11. 6767 =

12. 3121 =

Place Value 4-Digit Number Challenge

Write a single-digit number in each star.

What is the...	
largest 4-digit number you can make?	
smallest 4-digit number you can make?	
largest odd 4-digit number?	
largest even 4-digit number?	
smallest odd 4-digit number?	
smallest even 4-digit number?	
largest 4-digit number rounded to the nearest 10?	
largest 4-digit number rounded to the nearest 100?	
smallest 4-digit number rounded to the nearest 10?	
smallest 4-digit number rounded to the nearest 100?	

St George's Day

Patron Saints

Patron saints are chosen to be special protectors for different areas of life. There are many patron saints, who are guardians of lots of different things. England, Ireland, Scotland and Wales each have their own patron saint, who is guardian and protector of that nation. Each patron saint has their own day named after

them. The patron saint of England is Saint George and St George's Day is celebrated on 23rd April every year. The symbol of Saint George is a red cross on a white background. This is also the flag of England and is a part of the flag of Great Britain. Saint George's symbol was adopted by Richard the Lionheart in the 12th century. The king's soldiers wore it on their tunics during battle.

The Legend of Saint George

There is a famous legend about Saint George slaying a dragon to rescue a princess. This is probably the most famous story about Saint George. During the Middle Ages (5th - 15th century), dragons were often used to symbolise the devil. The story says that Saint George travelled around the world for many years until he came to a country called Libya. He met a man, who told him that the country was in danger from a dragon. The dragon was killing young girls and the King was worried because his daughter was next to be killed. According to the legend, Saint George wanted to save the princess and fought the dragon, slaying it and ending the danger.

Who Was the Real Saint George?

The real Saint George was actually a soldier. Although he is the patron saint of England and is connected with English values, he was not actually English. It is also thought that he may never have even visited England! He is thought to have been born in the year AD 270 in Cappadocia, which is now Eastern Turkey.

St George's Day

He and his family were Christian and lived their lives following Christian values. When he was 17, he joined the Roman army.

The emperor at the time began to persecute Christian people and Saint George often pleaded with the emperor to stop this persecution. He is considered to be extremely brave because even though he was tortured, he refused to deny his faith. Sadly, he was beheaded near Lydda in Palestine on 23rd April in AD303. The 23rd April was named St George's Day in 1222 and became a national feast day in 1415.

Celebrating St George's Day

Many people wear a red rose, England's national flower, to recognise Saint George's Day.

In some parts of the country, there are festivals where people dress up and stage 'dragon-slaying' events! However, many people do not celebrate Saint George's Day - there are a lot of people trying to get the day recognised as a national holiday.

Interesting Facts

Saint Edmund the Martyr was the original patron saint of England. He was replaced by Saint George in the 14th century.

Many patron saints' days are national holidays, for example, St Patrick's Day in Ireland and St Andrew's Day in Scotland. However in England, St George's Day is a normal working day.

Saint George is also the patron saint of scouts, soldiers, archers and farmers. There are church services for scout troops across the country on 23rd April to celebrate Saint George.

Questions

1. What is a patron saint and why are they celebrated?

2. Why was Saint George put in prison?

3. Why is 23rd April named as St George's Day?

4. Why was the king of Libya worried?

5. Who was the original patron saint of England?

6. Why is it unusual that Saint George became the patron saint of England?

7. Why do you think this legend of Saint George slaying the Dragon has been created and told for centuries?

8. The emperor at the time was a pagan. What do you think this means and why

Challenge

Can you find out which other things/places Saint George is patron saint of? There are a few!

Thursday Maths

Optional Challenge

If you cannot print this, you can copy the table.

2) a) A group of children have been competing at the Tin Can Alley. Complete the table below.

Name	Original Score	Points Added or Subtracted	New Score
Tommy	2000	+ 1000	
Danny	3045		2045
Mersim	10 702	- 1000	
Penny		+ 1000	1560
Jane	5003		4003
Tilly	9070		10 070
Max		- 1000	19 872

Friday Maths

Optional Challenge

Rounding Sentence Match-Up

Set 1

These six sentences should explain how numbers are rounded to 10, 100 and 1000. Unfortunately, they have all been muddled up! Can you cut them out and rearrange them to make the sentences correct?

3764	rounded to the nearest 100	is 1990
5250	rounded to the nearest 10	is 3800
3004	rounded to the nearest 100	is 3000
1985	rounded to the nearest 1000	is 5300
2340	rounded to the nearest 10	is 2000
5350	rounded to the nearest 1000	is 5000
