Year 6 Leavers Festival

Wednesday 30th June 2021

Dear Parents and Carers

As we approach the end of term, I am pleased to inform you that we will be holding a Year 6 Leavers Festival. This will take place on the main Key Stage 2 playground on Thursday 15th July from 5.30pm until 7.30pm. This will be a year 6 event, during which the children will be organised and remain in their current class bubbles.

There will be no charge for this event; the school, as well as the PTFA, will be providing drinks and 'festival food and treats' for all of the children. In addition to this, we have organised for a disco and a professional photo booth. The children will be given the opportunity to have photos with their class bubble friends and will be able to bring the pictures home that evening. Thank you to the parents and carers that have returned their permission slips for photos; if you do have any questions about this do please liaise with your child's class teacher.

Please may we ask that entry to the festival is via the usual year 6 gate, where the teachers will collect the children and lead them to the larger playground. Please ensure that your child arrives no earlier than 5.25pm and lines up in their class bubble in the usual way, in order to continue following our current school risk assessment. When the festival finishes, we will be sending one class out at a time from the usual year 6 gate. (Similar to the end of our school day, but at 7.30pm).

If your child wishes to attend this year's leavers festival, please complete and return the slip below to your child's class teacher as soon as possible. In order to attend, we do require a permission slip. Please can you also indicate how your child will be getting home at 7.30pm. If your child is going home on their own and needs a mobile phone, we will collect them in and lock them away until the end of the festival. We do ask that no other phones or cameras are brought to the festival, only by the children who are travelling home without an adult.

If you do have any other queries, please contact your child's class teacher or myself.

Yours faithfully

Mrs D Pegden
Upper KS2 Department Leader
