

29th September 2021

Dear Parents and Carers,

Library Book Lending

I am pleased to inform you that from Friday 1st October Rainbow class will be visiting the library every Friday to choose a book to enjoy at home. This will allow your child to become familiar with the story and the characters with you before returning it to school on the following Friday when they will be able to choose another book.

When your child brings the book home, spend time reading it together – this can be you reading to your child, asking them questions about the story or getting them to talk to you about the pictures in the book.

Sometimes accidents happen – don't worry about this. You can help your child to look after their library books by:

- Finding a safe place to store his/her book (maybe away from little brothers or sisters or pets)
- Remind your child to turn the pages gently
- Read and reread the book as well as discuss favourite characters and important parts of the story

We hope you enjoy spending time with your child and sharing books at home.

Yours faithfully

Miss L Kemp
Nursery Manager
