- Now try little bricks.

Posting

- Pick up and post coins into a money box.

Chinese New Year

Home Learning Challenges

During Chinese New Year celebrations, children are sometimes given envelopes with money inside! With an adult, look at some coins and see if you can see any numbers on them. What numbers can you see? What shape are the coins? What colours are they?

There were 6 red lanterns and 3 yellow lanterns hanging in a row. How many lanterns were there altogether? You could draw a picture to help you work out the answer.

Fireworks are often seen during Chinese New Year. Paint or draw a firework picture. You could use crayons, pens, paint or glitter and glue.

You were born in the Chinese year of the _____. Draw a picture of this animal and write its name.

One of the colours often seen during Chinese New Year is red. Make a list of words that rhyme with the word red, e.g. bed.

Make a model dragon - you could use cardboard tubes and boxes, playdough, construction toys or natural materials like leaves and pebbles. Maybe you could draw a picture or take a photo of your dragon model!

My 1 to 10 Number Track

Cooked Playdough Recipe

2 cups salt

2 cups plain flour

4 teaspoons cream of tartar

2 cups water

4 teaspoons oil

(add drops of your chosen colour)

- Microwave on high for 3 ½ minutes, stirring after every minute.

No Cook Playdough Recipe

2 cups plain flour

2 tablespoons vegetable oil (baby oil/coconut oil work too)

$\frac{1}{2}$ cup salt

2 tablespoons cream of tartar

1 to 1.5 cups boiling water (adding in increments until it feels just right)

Gel food colouring (optional)

Few drops glycerine (optional)

- Mix the flour, salt, cream of tartar and oil in a large mixing bowl
- Add food colouring to the boiling water then into the dry ingredients
- Stir continuously until it becomes a sticky, combined dough
- Add the glycerine (optional)
- Allow it to cool down then take it out of the bowl and knead it vigorously for a couple of minutes until all of the stickiness has gone (this is the most important part of the process, so keep at it until it's the perfect consistency!)
- If it remains a little sticky then add a touch more flour until just right.

A Message to Parents/Carers
