Harry and the Bucketful of Dinosaurs

<u>Home learning resources – 22nd February 2021</u>

The following are a collection of resources to support you in this week's home learning, surrounding the story of 'Harry and the Bucketful of Dinosaurs' and our new topic of dinosaurs!

These pages do not need to be printed out unless you wish to, you can simply use them online or to give you an idea of how you can support your child's learning. You can also request a printout via your child's teacher to collect from the office.

Please send pictures to Miss Kemp of your fantastic learning.

Shape Hunt

Colour the shapes as you see them. Which shape did you see first?

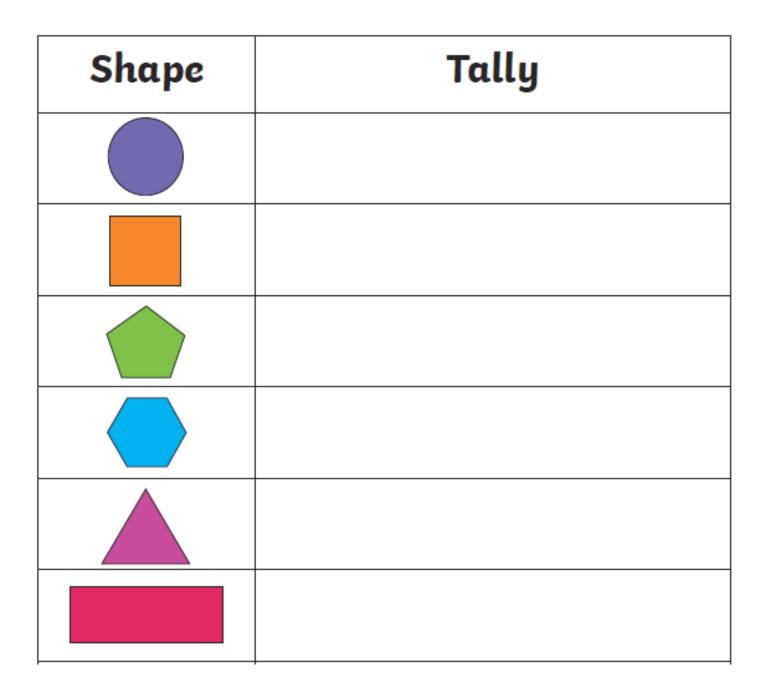

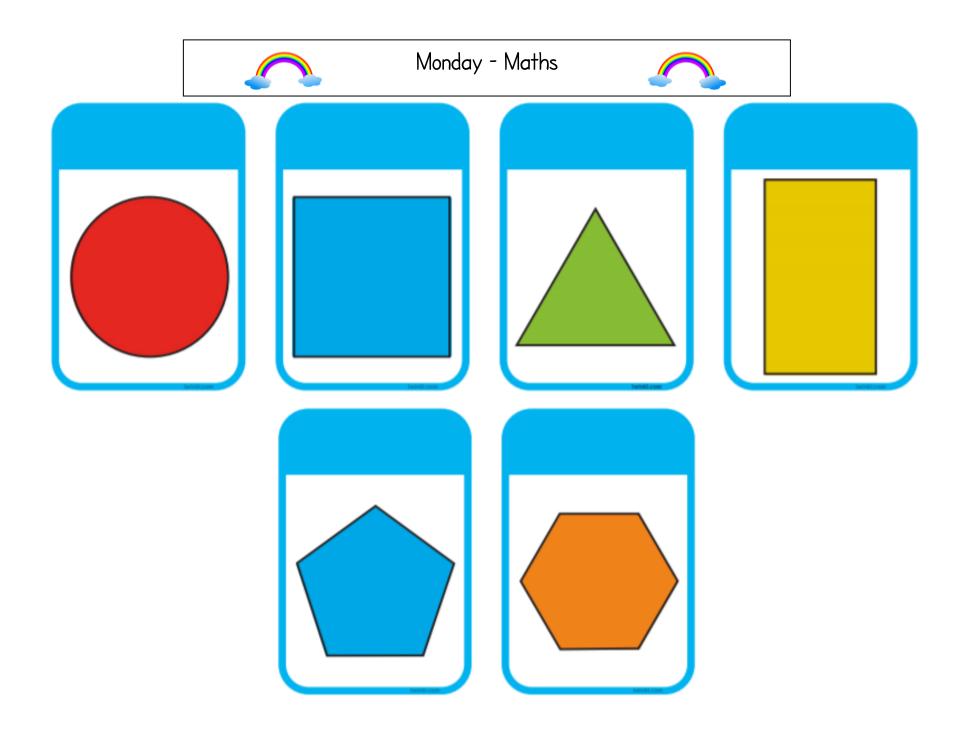

Shape Hunt

Use a tally to count the shapes you see.

Which shape did you see the most? Which shape did you see the least?

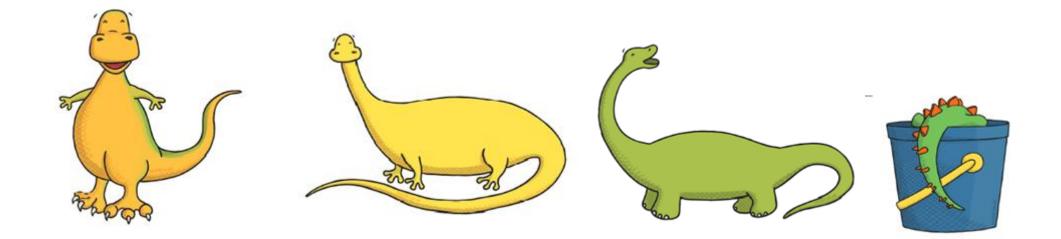

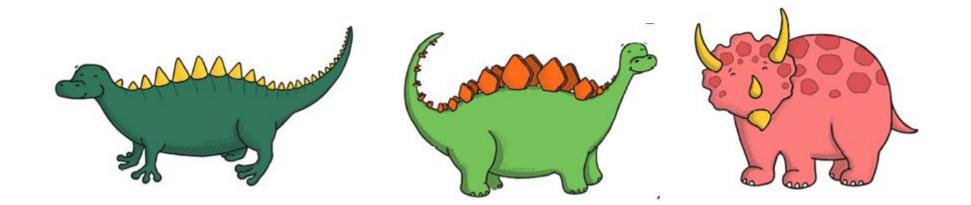

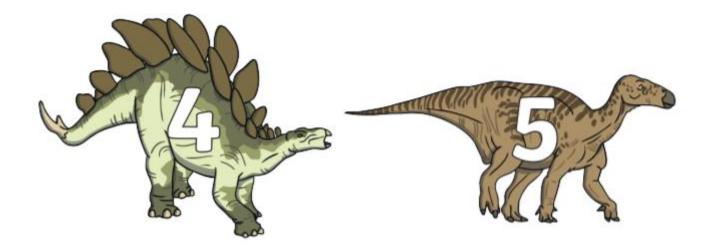

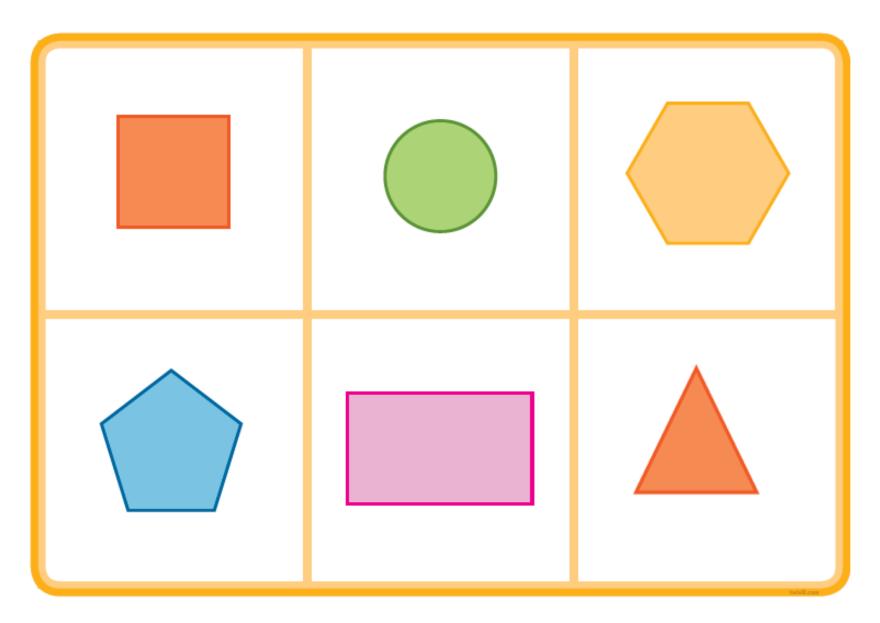

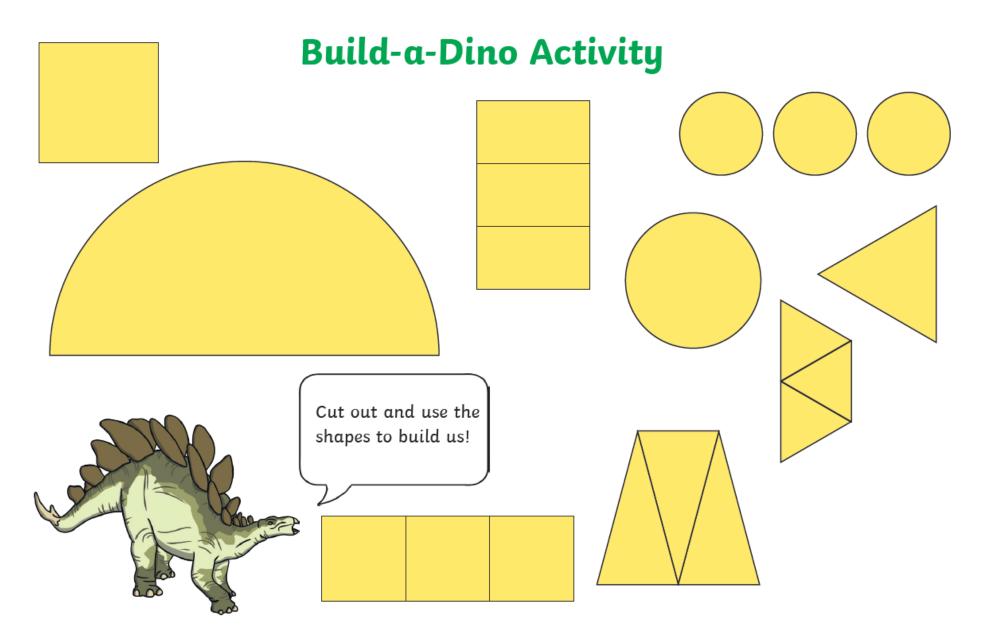

What's in My Bucket?

2 cups salt 2 cups plain flour 4 teaspoons cream of tartar 2 cups water 4 teaspoons oil (add drops of your chosen colour)

- Microwave on high for 3 $\frac{1}{2}$ minutes, stirring after every minute.

2 cups plain flour

2 tablespoons vegetable oil (baby oil/coconut oil work too)

1/2 cup salt

2 tablespoons cream of tartar

1 to 1.5 cups boiling water (adding in increments until it feels just right)

Gel food colouring (optional)

Few drops glycerine (optional)

- Mix the flour, salt, cream of tartar and oil in a large mixing bowl
- Add food colouring to the boiling water then into the dry ingredients
- Stir continuously until it becomes a sticky, combined dough
- Add the glycerine (optional)

- Allow it to cool down then take it out of the bowl and knead it vigorously for a couple of minutes until all of the stickiness has gone (this is the most important part of the process, so keep at it until it's the perfect consistency!)

- If it remains a little sticky then add a touch more flour until just right.

A Message to Parents/Carers

Please remember that these are examples of the resources you can use. You can use these as examples to create your own resources for this week's home learning or you can print them out if you so wish.

We would love to hear from you and see what you and your children have explored with your home learning. You can email your child's teacher on the following emails:
