

## Hansel and Gretel!

This week we have been sharing the story of Hansel and Gretel. We have helped them to count out pebbles to make paths to the cottage with. We have designed new cottages for the Witch to live in.

We also used our fine motor skills to pick up pompoms like we were birds picking up the crumbs Hansel put down.

We played bingo – this helps us with developing our turn taking skills.

Next week we are going to be reading The Three Little Pigs.
