

Term 2 Week 4

This week we have been thinking about how to take turns – we know we have one go, wait for our friends and say well done to the winner!

We played pairs – we really needed to concentrate in this game to try and remember where the matching cards were.

While we were outside Leanne drew us a hopscotch to jump on, this also helps us with recognising numbers. We also created an obstacle course.

This week we took part in our first ever Zoom music assembly – we learnt some new songs and played along with instruments.

On Friday we had a party – just because!

We used our fine motor skills to ice a biscuit and enjoyed sitting together at snack time.

Keep your eyes peeled for the start of Christmas festivities at Nursery.

Email Miss Kemp pictures of your Christmas trees and decorations –
