

CINDERELLA

Dear Parents and Carers,

Now that the Christmas period has passed, and we have settled back into the school routine, we are delighted to tell you that we have invited Outside the Box Productions to come into the school and perform the pantomime "Cinderella" for the children.

I am also pleased to say that this is a treat for all children, fully funded by the school and the PTFA.

The pantomime will be held in school on **Thursday 16th January** in two separate sessions so that every year group can fully enjoy the experience. Please ensure your child's attendance on this day, so that they do not miss out on this wonderful opportunity to watch a pantomime show.

Don't forget to join us for the fun lunch on this day too. If your child does not usually have a school dinner on a Thursday, a place will need to be requested - a separate letter has been sent regarding this. Please bear in mind the deadline for the fun lunch is **Friday 10th January 2020**. If you have any queries, please don't hesitate to contact the school office.

I hope your children are as excited as we are? Oh yes we are!

Yours faithfully

J. Williams
