

## Garlinge Primary School and Nursery

8<sup>th</sup> March 2021

Dear Parents and Carers,

It has been lovely to see so many happy and smiley faces as many children have returned today for the first time in some months. The school is a lovely place with the buzz of learning that is now back with us. I just wanted to take this chance to remind parents and carers of a couple of things to keep everyone as safe as possible.

We are currently still operating our fluid opening, between 8:45am and 9:05am. Children can be registered at any point between these times and it is much quieter in the surrounding streets if you are able to leave it until after 8:55am - please bear this in mind.

Could I once again remind parents and carers of the need for considerate driving and parking when dropping off and picking up children. We have been informed of some dangerous driving/stopping/parking and we are keen to keep everyone as safe as possible, so please do bear this in mind. Could I also please remind all parents and carers to be considerate and respectful to our neighbours when walking to or from school or when waiting to catch the bus home.

Thank you very much for your assistance with this, it is much appreciated and we very much look forward to getting back into our routines as we move towards Easter.

Yours faithfully,

A handwritten signature in black ink that reads 'J. Williams'.

Mr J Williams  
Executive Headteacher
