

## Garlinge Primary School and Nursery

### Year 5 – PSHE

Wednesday 1<sup>st</sup> May 2019

Dear Parents and Carers of pupils in Year 5,

In line with the statutory requirements in the 2014 National Curriculum, during Term 6, Year 5 will be learning about the differences between boys and girls and how their bodies change when they enter puberty. They will consider and discuss the changes boys and girls go through, physically and emotionally. These lessons will be generally taught as a whole class through both Science and PSHE. Prior to these lessons, you may want to discuss with your child some of the topics that will be taught.

Before these lessons take place, we would like to invite you to attend an information session on **Tuesday 14<sup>th</sup> May at 3:30pm** to discuss any questions or concerns you may have regarding the lessons. We ask if possible, to make prior arrangements for childcare due to the nature of the content being discussed.

The meeting will be held in class 5C. Entry will be via the Year 5 doors.

Please complete attached reply slip by **Friday 10<sup>th</sup> May** to confirm your attendance.

Yours faithfully

Mr J Williams  
Head teacher
