

Garlinge Primary School and Nursery

Positive Pebble Hunt

- 1. Go for a walk with your family or friends and find a pebble. Remember not to take pebbles from the beach.**
- 2. The best pebbles are hard and grey and should be smaller than the palm of your hand.**
- 3. Write your name on one side with a Sharpie.**
- 4. Bring your pebble into school during the week beginning Monday 3rd June. We need your pebbles by Friday 7th June.**

We look forward to decorating our pebbles and hiding them around our school environment.
