

Garlinge Primary School and Nursery

Star Snappers Photographs

Wednesday 3rd July

Dear Parents and Carers,

As part of Arts Week, we invited the non-profitable professional photography company, 'Star Snappers' into school to work with our children.

The pupils were given the exciting opportunity of taking part in workshops, which allowed them to learn photographic techniques using a professional camera. The children were able to take photographs of themselves as well as taking photographs of other children in their class.

Each pupil has been given a proof (with a set of three photos) taken during Star Snappers visit and you have the opportunity, **but are not obliged**, to purchase 1-3 photos in various sizes. If you do not wish to place an order your child can keep the proof.

If you are placing an order please fill in the proof order form indicating which photo in which size you wish to purchase. Place your order form and money in the envelope provided and return to the school by no later than **Wednesday, 10 July 2019**.

If you would like to know more about Star Snappers please visit their website <http://starsnappers.org>

Yours sincerely

T Jenkins
Art Subject Leader
