Years 5 and 6 Newsletter

Terms 1 and 2

Dear Parents and Carers,

I would like to begin by welcoming you all back to a new academic year after the summer break. We truly look forward to a successful year working together with you making the year ahead successful for your children. They have all come back looking lovely and smart and I'm pleased to share that they have settled well into their new classrooms and routines in the upper school. Thank you too for your ongoing support, which is always appreciated.

This newsletter aims to introduce you to the Year 5 and 6 department and the main topics of learning within each year group, as well as providing you with information which you may find useful when supporting your child.

Staff

The department staff for this academic year are:

<u>5A-Mrs Greenfield</u> TAs- Miss Keefe & Mrs Cole	<u>6A-Mrs Pegden</u> TA-Mrs Ray & Mrs Wilson
<u>5B-Miss Hatcher</u> TA- Miss Whelan & Mrs Axford	<u>6B-Miss Jenkins</u> TA- Mrs Wigington & Mrs Reuter
<u>5C-Miss Hawtin</u> TA- Miss Hayes	<u>6C-Mr Shepherd</u> TA – Miss Atkins

How You Can Help Your Child

Please make sure that your child arrives in school ready for registration and their first lesson. The gates are open between 8.45am and 8.55 am. Registers are taken at 9.00am. We ask that you telephone the office if your child is not well enough to come to school, or is displaying any COVID related symptoms and advice will be given. Please may we also request, that for your child's safety they do not arrive early at the year 6 gate, or gather in groups outside on the pavement. We have class cones, which are marked on the grass area, where the year 6 children may wait – your support with this is appreciated. At the end of the day, please may year 5 children be collected from the doors at the far end of the main playground. Please may year 6 be collected from the year 6 gate, however if your year 6 child has a sibling we allow them to walk to meet you on their sibling's playground – we do find that this works well. Please may we also ask for year 6 parents that collect their children to come into the year 6 area at the end of the day, so that the pavement area is kept safe and clear for pupils and adults walking past. If your child is allowed to walk home alone, please may you liaise with the class teacher so that they are aware. In order to ease congestion in the corridors and at the exit gates, we will also be slightly staggering the year 6 exit times to 3.12pm for 6A and 6B and then 3.15pm for 6C and 6D.

Uniform

We would like all of the children to take pride in their school uniform. A full uniform list is available on our school website www.garlingeprimary.co.uk or if you are unsure please do speak to your child's class teacher. All items of school uniform should be clearly named. We would also request that children wear plain black shoes and not trainers to school. Earrings are permitted, but must be small plain studs please. This year we are also please asking parents and carers to send their child into school with a spare art t-shirt, shirt or apron. We will be asking the children to keep these in a bag inside their lockers, where they can be accessed during our art lessons.

PE

Help your children to be organised for PE by making sure that they wear their PE kit into school on their PE day. Year 5 is Thursday and year 6 is Friday. This should consist of their house team coloured T-shirt, dark shorts or dark joggers and trainers. We have asked for children to still wear their usual school jumper or cardigan on their PE days. If your child needs a new coloured house t shirt, these can be ordered on our school website - <https://www.garlingeprimary.co.uk/uniform> . Alternatively, they are available from the Ambition Sport website - <http://www.ambitionsport.com/> . Children with pierced ears will need to remove earrings when taking part in PE lessons; this can be done either at school or at home beforehand. Please may you also ensure that pupils have long hair tied back for their PE day.

Term 1 Homework - Reading, Spellings and Times Tables

Homework is an important way in which you can support your child's learning. During term 1, we will be focussing on the core areas of learning for the children, particularly after their summer break. We will introduce maths, English or topic homework, with one piece being given each week as the term progresses. Term 1 will consist of: spellings, times tables and reading. Your children have all been issued with a

home reading book, which they should take home each day. Please support your child by listening to them read on a daily basis as well as spending time discussing their books with them. Also, please encourage your child to take part in our Buster's Book Club reading incentive scheme, which is every Wednesday. This is a popular scheme in school, encouraging children to read for a target number of minutes each Wednesday for a possible class reward. Times tables and weekly spellings are also an important part of regular learning in school and should be practised at home daily. All children have a Times Tables Rock Stars login, where they will be able to practise their times tables using this fun resource. We also welcome other ways in which to practise times tables at home that is also successful for your child. Knowing the times tables is an integral part of the upper school maths curriculum, so your support is gladly welcomed. Spelling lists to learn will be sent home weekly in your child's home spelling book, regular practice will also support your child.

A 'Healthy School'

We are proud to have been awarded a 'Healthy School' status, therefore we encourage parents to pack a healthy lunchbox for their child, and we discourage chocolate, sweets or crisps. We encourage children to bring in a piece of fruit to eat at break times. Also, as a 'Healthy School', we are unable to hand out birthday cakes/sweets to children in our classes provided by parents.

The children are encouraged to drink water throughout the day, they may use their school water bottle or bring in a water-bottle of their own from home. Please may we ask for water only in these bottles, not squash. May I also remind you that we are a '**nut-free**' school; therefore food containing nuts cannot be eaten in school.

Secondary School Process - Year 6

The time is approaching for year 6 parents and children to consider their secondary school applications. As indicated in the dates above, there is a planned secondary school information evening. The purpose of this meeting is to give parents and carers information about the online process and school open days. In the meantime, I would recommend to start researching the individual schools via their websites and if you have any admission queries, do please contact the schools individually; most schools also have an admissions email contact available online. This year, the closing date for secondary school online applications is Monday 2nd November.

Finally, if you have any questions about your child's education, please do not hesitate to contact your child's class teacher or myself, we will gladly be able to assist you. Can I also remind you about the class email contacts, as listed below. These are a useful way of keeping in contact with your child's class teacher as well with any queries that you may have.
