

Year 3 Home Learning

Year 3 have collated the following resources to support learning at home during this time. These are a guide and if you find anything else please feel free to use it.

Topic

Our topic at present is Modern Greece and in terms 5 and 6 we will be moving onto Rivers and Scotland. Any research within these areas would be beneficial.

- Find out ten interesting facts about Modern Greece or Scotland.
- Design an advert persuading people to go to Scotland for a holiday.
- Research food and drink in Greece or Scotland.
- Make a fact file about a rivers journey and The Water Cycle.
- Research and present some facts about a famous river eg The River Nile, The River Thames.
- Name some of the rivers in the UK or discover the main rivers around the world. .
- Draw the Scottish flag.

English

- Continue to learn your Year 3/4 spelling words and practise using them in a sentence.
- Record a diary account of a particular day.
- Read books as often as you can and if you find a book that's particularly good, write a book review.
- Write an information text about the journey of a river or the water Cycle.
- Write an alternative story ending to Katie Morag delivers the mail.
- Write a persuasive advert encouraging people to visit Scotland.

Maths

In term 5 we will be moving on to fractions of a whole, fractions of numbers and fractions of objects.

- Match fractions to the correct image and look for fractions in everyday life eg half a pizza, one quarter of an apple etc
- Revise finding perimeters of a shape.
- Practise telling the time using an analogue and digital clock.
- Play Times Tables Rockstars
- Invent some fun times tables games that you could play with a friend to practise your times tables

Science

Our next topic will be Rocks followed by The Life process of a plant.

- Research the different types of rocks, how they are formed and their uses.
- Find out the different stages (life process of a plant).

<https://www.natgeokids.com/uk/discover/science/nature/the-life-cycle-of-flowering-plants/>

The Arts

- Make a model of the water cycle.
- Create a mountain with the course of a river.
- Write a song
- Make up a rap of each times table to help your quick recall

French

- Revise numbers, colours, family and subjects.
