

Year 4 Home Learning

Year 4 have collated the following resources/ideas to support learning at home during this time. These are a guide and if you find anything else useful, please feel free to use it.

Topic

Next term, Year 4 will be learning about the differences between the north and south of England. As part of our learning, we will be comparing Margate with Newcastle. The children could choose to record some facts about what Margate is like today. They could choose to focus on one aspect of life in Margate e.g. Margate Beach, Dreamland, The Turner Centre, The Theatre Royal etc or they may like to record some facts about Margate in general.

Other ideas:

- Find out ten interesting facts about Newcastle.
- Write a story set in the local area e.g. Dreamland, Margate Beach.
- Design an advert persuading people to come to Margate for a holiday.

English

- Write a short adventure story using speech.
- Continue to learn your Year 3/4 spelling words and practise using them in a sentence.
- Record a diary account of a particular day.
- Read books as often as you can and if you find a book that's particularly good, write a book review.

Maths

- Play Times Tables Rockstars.
- Invent some fun times tables games that you could play with a friend to practise your times tables.
- Practise how to tell the time using a digital and analogue clock. Ask adults to set you challenges e.g. If dinner is at 6 o'clock, how long until dinner time? etc
- Practise different column method addition and subtraction calculations.

Science

Our next topic will be Animals including Humans. This topic focuses on teeth and the function of teeth, food chains and the digestive system.

- Write a guide to brushing your teeth for a younger child.

- Design a poster to encourage people to look after their teeth, eg dental hygiene, food and drink, visiting the dentist etc.
- Research different animal teeth and draw some pictures.
- Research food chains and make some up of your own using animals that you know.

The Arts

- Draw a picture of your favourite place in the local area.
- Write a song.
- Design your own fairground ride for Dreamland. You could even make a model of it if you have the equipment.
- Make up a rap of each times table to help your quick recall.

French

- Revise numbers, colours, family and greetings.
