

Year 6 Home Learning Pack

Year 6 have collated the following resources to support learning at home during this time. These are a guide and if you find anything else please use it.

Topics - Any research within these areas would be beneficial.

Our World – Map Skills

- Find out ten interesting facts about each continent.
- Make a fact file about a given country or capital city.
- Find out what you can about physical areas of Europe – rivers, mountains, biomes etc....

Living Things and Their Habitats

- Draw different animals and label their characteristics.
- Write a fact file about a chosen animal.

Art

- Observational drawings of animals
- Animal collage
- Study the artist Katsushika Hokusai and recreate in the style of his sea paintings

English

- A fact-file about the Japanese artist Katsushika Hokusai or the Spanish artist Pablo Picasso
- Non-chronological report about orang-utans
- Instructions on how to build a home for a pet
- Write a letter as Michael to his best friend Eddie Dodds (from our story Kensuke's Kingdom)
- Write your own adventure story about being stranded on a desert island

Maths

Please use the following websites to revise and practise different maths skills

- www.mathsframe.co.uk
- www.topmarks.co.uk
- www.trockstars.com

Arithmetic

- Create your own arithmetic questions using a dice or pack of cards
- Make up some of your own word problems

French

- Revise numbers, colours, family and subjects.
- Play games and activities on BBC Primary website
- Create a French weather poster
