

Music for Home Learning

Year 1

Here are some ideas for having fun whilst doing some musical activities at home. They are based on Gigglebox YouTube clips (so you may have to watch out for the adverts at the start). However, you can use other versions of the stories- or you may even have the books at home!

In each case, listen to or tell the story. Then read or watch the story again, looking for places where a sound effect could be added. You can choose as many or as few of these as you want. For instance, in the Three Billy Goats Gruff story, how could you make the sounds of the billy goats walking over the bridge? Will each goat's hooves sound the same? Then think about how you could make the sound effects. You could use voices, make noises using different parts of the body or use objects from around the house. You might even want to write down the part of the story where each sound goes and the sound you are going to make, creating a musical score!

Finally, watch or retell the story again, adding in the musical sound effects as you go. Enjoy your music-making together!
