

# Music for Home Learning

Here are some ideas for having fun whilst doing some musical activities at home. These are five ideas, each based around a different genre of music. If you enjoy these, why not explore other types of music for yourself? In each example below, you can join in accompanying a backing track using objects you can find around the house as instruments. Try to be as creative as you can. Or you might even have a go at making your own instruments out of boxes, bottles and other pieces of 'junk'! Enjoy your music making!
