

Garlinge Primary School and Nursery

Garlinge Primary School and Nursery Celebration Afternoon

Wednesday 2nd July 3.30pm – 5.30pm

Dear Parents and Carers,

You are warmly invited to join us for our school celebration afternoon. This event will allow you to share and experience the wonderful learning that has been taking place at Garlinge this academic year. The afternoon is in place of a traditional summer parents evening.

During the afternoon, you are welcome to visit your child's classroom, where you will be able to look at books, see photographs and find out about the exciting learning that has taken place in their class this academic year. The class teachers will be based in their classrooms and will be able to share these with you throughout the afternoon.

As well as this, you will be able to visit and meet your child's new class teacher for the next academic year. Our teachers will remain in their current classrooms, where they will be able to meet and talk to new children and parents. Our year 6 school prefects will be available to guide you around the school building throughout the afternoon.

As part of our celebration afternoon, we wish to share with you some of our curriculum learning, school clubs and school community links. Alongside this, our choir and dance crew will also be performing at the event, and our PE and school sports team teachers will also be based in the sports hall where they will be celebrating school sport successes and demonstrating some different sports and activities.

Refreshments will be available served by our school PTFA members.

You will need to meet your child at their normal collection point at the end of the day and join the start of the afternoon at 3.30pm, or if you wish, you are welcome to return to school later on in the afternoon as the celebration is running until 5.30pm. Our staff are looking forward to meeting you during our celebration afternoon. If you have any questions about the afternoon, please speak to your child's class teacher and they will be able to assist you.

Yours faithfully,

Mrs Northrop and Mr Cope
Heads of School
