

Garlinge Primary School and Nursery

BBC CHILDREN IN NEED FRIDAY 17TH NOVEMBER

9th November 2023

Dear Parents and Carers,

As you may be aware this years' BBC Children in Need appeal will be taking place on Friday 17th November. As usual Garlinge Primary School and Nursery will be getting involved to raise money for this very worth-while cause.

This year, Pudsey's theme is "**SPOTacular**" and all children and staff are invited to wear their spottiest clothes or any non-uniform clothing that they wish on that day and we will be collecting voluntary donations. If you are able to donate, please hand donations to your child to give to their class teacher on that morning. We will also have staff collecting on all gates on this day.

It is quite likely that the weather will be cold, so we would ask that you ensure your child has something warm to wear outside the classroom. If your child has PE on this day, please ensure that they wear suitable clothing for this activity.

Thank you for your support.

Yours faithfully

Stephen Cope *A Northrop*

Mr S Cope & Mrs A Northrop
Heads of School
