

Linking those with enough to those in need

24.10.25

Dear The Staff and pupils at Garlinge primary,

Thank you for once again supporting Thanet Food Link with your donations from your Harvest Festival. What a lot of food we collected from you! We really appreciate your support and want to say a big THANK YOU to all the children, parents and staff that contributed.

Our Charity gives food freely to those in need. Last year we were able to give food to over 7300 people including just over 2600 children. This makes such a difference to the lives of the people we support and brings not only the ability to eat but also shows that people care.

Thank you for your ongoing support, which enables us to continue supporting those in need in our local community.

Best wishes

Heather
