Government change to Covid 19 isolation dates

Dear Parents and Carers,

We have just been informed of a change to government policy which has altered the number of days that 'contacts' need to self-isolate, reducing it from 14 to 10. As a result of this, there has been a change in dates that classes are able to return to school. They are now as follows:

- RA – Return on Monday 14th December
- RB – Return on Monday 14th December
- 1B – Return on Thursday 17th December

I do appreciate, and agree that this is a late change to policy but we will ensure that we continue to follow government and Public Health England guidance.

Any children whose parents have consented to the flu vaccination that is already scheduled for Monday 14th December will receive their vaccination on Monday as planned.

I understand that this is a very late notice from the government and I absolutely respect whatever you decide to do regarding your child's return.

Yours faithfully
