SPORTS NEWS

PERSEVERANCE-ASPIRATION-RESPECT-TEAMWORK

Rugby

We have hosted two rugby festivals this term. They proved to be a fantastic learning opportunity for both teams who played brilliantly winning the majority of their games.

We were well prepared for the Six Nations Tournament and both teams showed great determination and commitment. The first team finished a brilliant 4th out of 25 schools and the second team played superbly well to win the Scotland cup! What a great achievement!

Hockey double Silver

Our year 3 & 4 children took part in this year's first Hockey competition at Chatham House where they didn't disappoint. After finishing top of the table they headed straight for the finals in a repeat of last year's final against St Peters. The team battled superbly in the final and finished worthy runners up out of the Thanet Schools.

Knowing that we had made it to the last 3 finals in the Hockey our year 5 & 6 team went out to show that they too had what it takes to compete at the highest level. After finishing the group stage top of the table they too made it to the final. This time against a strong Upton side we went 1-0 down and using our school values managed to score to make it 1-1. However Upton managed to score again with Garlinge once again finishing with silver medals. Well done everyone who played so well in all of their games!

Gymnastics

Three teams competed in the Kent School Games gymnastics competition – a first for Team Garlinge!

Our youngest team finished in 4th place, Y4 team finished joint 3rd and our Y6 team finished in an incredible 2nd place! Well done for putting in such a lot of hard work in the practice sessions and for representing our school so well.

Tri Golf

This year we once again entered two teams into the annual Tri Golf competition and both teams did a fantastic job! Both teams thoroughly enjoyed the event and represented our school values to an amazing standard.

Our first team coached and encouraged each other extremely well and their points tally positioned them as runners up of the overall competition.

Well done to everyone who took part and keep up the good work!

Cross Country

There were some excellent performances from the children who took part in the cross country this term. The wind made the races tough to complete, but everyone came away with a medal for finishing. It was lovely to see our school values in action; perseverance against the weather, aspiration to be the best we could be, respect for the others in the races and teamwork to help our friends finish the race. A special mention must go to Mohtady who fell over on the start line but still managed to earn himself a silver medal!

More SPORTS NEWS

Multi Fit

This new event was a smash hit with the children who took part! There were plenty of different sports to try, but the favourite activity by far was the giant obstacle course!

Inclusive Sports Club

This term children have been focusing on TEAMWORK to help them overcome sporting challenges. Some of the children were also selected to represent Team Garlinge at the Change 4 Life festival last term and did a fantastic job of representing the school and showing us their fantastic skills that they have been developing.

Netball

The netball teams have been in action, playing in both the High 5 event, where Garlinge 1 missed out on the final by one point, and the festival. We have plenty to work on during our practices to make sure we are prepared for the Thanet Schools main competition next term!

P.E. LESSONS

Chance 2 Shine

A Kent Community Cricket coach has been in school all term teaching year's 2, 3, 4 and 6. It has been great fun and we feel well prepared for our cricket events next term.

Margate FC trip

On Tuesday we took two year 3 teams to Margate Football Club where they took part in a variety of activities which tested their teamwork. The children were joined by Holy Trinity Margate and Palm Bay pupils and were mixed together to make new teams where they competed in a mini competition. All the children had a fab morning of football and we look forward to more opportunities like this in the future.

Swimming

Congratulations to all the Year 4 children who have made such great progress in their swimming lessons this term.

Boxing

Y5 have enjoyed working with Olympia Boxing this term and have learnt the basics of this exciting discipline. Y6 have also had the chance to work with Jade as she put them through their paces in her boxercise programme.

PHYSICAL ACTIVITY

SSOC

This term Year 3 have had their Intra event which was run by our lovely SSOC leaders. They have chosen to run a Cricket event and the **GREEN** Team were the winners for Year 3. Our Year 3 **YELLOW** Team were chosen by the leaders to win our P.A.R.T trophy for showing all of our school values throughout the event.

Change for Life

Well done to everyone who has been a part of our Change 4 Life clubs this term. We have successfully run 4 clubs this term and this has been possible thanks to our fantastic Change 4 Life leaders. Look out for the leaders over the next couple of months as they continue to help us to lead a healthy lifestyle and provide us with more chances to be active!
