Mr Hearn

St Lawrence Festival

Once again, Garlinge School was invited to attend the prestigious football festival at St Lawrence College.

All of the top teams in the area were invited to participate. Garlinge fielded a youthful team mainly consisting of year 5 but were not outmatched.

They were unlucky to lose games 1-0 a couple of times, however, they picked up an emphatic 5-0 win over St Joseph's and were unlucky not to pick up further wins in the 3 draws they had.

A great effort well done!

CROSS COUNTRY

Well done to all the children who represented Team Garlinge at the first cross country of the year on Saturday. We had a fantastic 70 children taking part and it was a joy to see so many children representing the school and our school values so well.

A special mention must go to Mohtady for his gold medal in the year 5 boys race and everyone who was so successful in their own performances.

John Curran Round 1

Garlinge had a home draw for the first round of the John Curran Cup, which included Draper's Mills and Newlands. To make it through to the finals Garlinge would have to top the group.

They started with a hard fought 1-0 win over Draper's. The second match was against Newlands and the team played some great football finally edging the game 2-1 to secure the top spot to go into the finals.

Garlinge came up against strong opposition in the finals but battled well throughout. Every game was well contested and score lines were always close. The team persevered and managed to score goals, which their efforts more than deserved.

Overall Garlinge came 4th in the John Curran out of all the primary schools in Thanet. A great result! Congratulations Team Garlinge.

HEALTH & WELL BEING

WALK A MILE

Well done to Henry and his family for completing over 70 miles over the last school year at our walk a mile club. After completing his miles, his name was put into a prize draw for a brand new bike to help continue his healthy lifestyle choices.

For a chance to earn prizes for being active make sure that you sign up to our Walk a Mile club. Please see the school club sign up letter for more information or Mrs Keeler for more information on signing up.

Netball Festival

Earlier this term we took eight children from year 5 and 6 to the Passport Netball festival at Dane Court Grammar School. We played several matches against other schools in Thanet and every player did Team Garlinge proud.

There was lots of positive thinking and our school values were shown throughout the event. The team won every match they played and only conceded two goals! Well done Team Garlinge.

Football Festivals

Garlinge School hosted the first football festival of the season and were able to field two strong teams. There was some good football on display and a couple of big wins including a 6-0 against St Gregory's and 5-0 against Draper's Mills. The teams showed fantastic values and sportsmanship throughout every game.

Our second football festival we hosted to give an opportunity to other players including year 5 and everyone played extremely well. They picked up wins against a Palm Bay team and St Nicholas. The team passed the ball nicely and made a big effort for every game. Well done team Garlinge!

SSOC competition

Well done to this term's winners of the year 3 Intra House Dodgeball competition. Next term will see the return of the Dodgeball house competitions for the year 4 children to compete. Look out for more details coming soon from the SSOC team.

TELT Games

The Thanet Endeavour Learning Trust (TELT) launched on the 27th September to celebrate a closer collaboration between Garlinge, Bromstone and St Mildred's. The best way to celebrate this was by participating in a sporting event.

10 children from KS1 and another 10 from KS2 competed against the other schools, testing all their sporting skills in different games. It was a fantastic day filled with enjoyment and children relishing participating in sporting matches and games lead by our fantastic Sports Leaders.

Well done to everyone involved!
