PE, School Sport & Physical Activity News

Our Team Garlinge vision

“A chance for **EVERY** child to be **PART** of an enjoyable journey in building a healthier, stronger head, heart and hands approach to leading an active lifestyle.”

OCT 2022—Issue 29 Another busy term for Team Garlinge, Football, Basketball, Cross Country, Multi Sport, Netball and much more! Well done everyone for a great start to the year...

Football, football, football!

The football season is about half way through already, with Garlinge hosting and entering many festivals already with great success.

The school hosted a recent festival entering two teams, both playing 4 games each.

The children represented the school brilliantly and showed fantastic respect on and off the pitch taking the opportunity to learn more about the game.

The boys had recent success in the annual St Lawrence tournament, topping their group stage and continuing with a fantastic semi-final win, however on this occasion were beaten in the final. They played some amazing football and got better as the tournament progressed.

Achieving second place in this tournament out of 8 schools was the best result the school has achieved for this tournament.

The same day the girls football team started their journey into the football at the DW Cup. They played 8 games and the school are immensely proud of how they handled the occasion and represented themselves and school, eager to learn more about the sport having for most players been their first football match!

Team Garlinge look forward to the remaining half of the football season. We have the Super Saturday event, where Garlinge are again entering two teams, a Year 2 Football festival at Margate FC and the football team have progressed in the Les Riggs Cup after defeating St Nicholas 6-0 in the first round. Good luck to everyone involved!

Multi Sports taster

Year 2 had the chance to try their first event this term. 8 children were chosen to learn and play 3 new games against other school.

The children thoroughly enjoyed the event having represented Team Garlinge for their first time!

They listened brilliantly at the event and managed to win 4 games on the day. We are all very proud of how they represented the school demonstrating the school values amazingly.

Keep up the good work!

Netball Festival

Our Netball team enjoyed a trip to St George's school earlier this term to take part in their first friendly festival.

After just one practice before the event the team performed some fantastic Netball in their matches.

The team rotated positions for most games and all helped each other and showed our school values extremely well.

We now look forward to another Netball competition next term.

Well done everyone!

Basketball taster

Team Garlinge recently participated in a basketball taster. At this festival they had the opportunity to explore the new sports, practicing some skills and learning all the rules.

At the end they had the chance to play 3 games against different school. For many of our children this was their first basketball taster and they showed their school values brilliantly. They took on board what they learnt and really understood the rules and tactics of the game, winning all 3 of their games 3-0, 2-0 and 4-0!

Cross Country

Our cross country took place earlier this month with 945 participants across all Thanet schools. This year we saw a mix of 38 boys and girls from years 3-6 all cross the finish line and receiving a medal.

Our year 3 boys had 3 runners finish with in the top 15. This is such a fantastic event and we have another taking place on Saturday 4th march 2023.

If you would like to give the next one a go and take home a medal, keep a lookout for Weduc messages and practise sessions leading up to the event.

COMMUNITY NEWS AND EVENTS

Rugby with Mario

Year 5 have been enjoying some Rugby sessions this term with Thanet Wanderers coach Mario.

Mario has delivered sessions to all our Year 5 pupils who have learnt some basic skills of the game and then put these into mini matches.

At Primary age we do 'touch rugby' where players are tagged to release the ball and the children have really enjoyed their sessions with coach Mario.

Thanks to Thanet Wanderers we are hoping to have Mario back again so that more children can complete the taster sessions.

Cricket with Molly

Thanks to Kent Cricket and the Chance 2 Shine project we have been lucky to welcome back coach Molly to deliver some exciting Cricket activities with Year 3 and Year 6.

The children have enjoyed learning bowling, batting and fielding skills.

We hope to continue our links in the future with Molly and look forward to delivering more Cricket opportunities within the school.
