

Garlinge Primary School and Nursery

2 September 2020

Dear Parents and Carers,

I just wanted to write briefly to you all to say thank you so much for making today's return to school such a success. School staff have put a great deal of effort into making today a happy and safe day for everybody and it was a pleasure to see everyone in the playground happily going into their new classes and also lovely to see pupils engaged and enjoying their learning in class.

At Garlinge Primary School and Nursery we will always be reflective and responsive to the views of parents and carers, so if there is any feedback on our procedures and new ways of working, please do not hesitate to speak to us.

I would also just like to clarify the school's position on the wearing of face coverings. As per government guidance, they will not be used by staff or pupils in school, but we have politely asked parents and carers to wear them if possible when dropping off, picking up or visiting the office so as to reduce risk further where there will be a greater volume of people. Thank you in advance for your co-operation with this.

Yours faithfully

A handwritten signature in cursive script that reads 'J. Williams'.
