

4th March 2024

Dear Parent's/Carer's,

Ursuline College is excited to announce that we are hosting Year 5 taster days for students who are considering attending our school in September 2025 on the 2nd and 3rd of July 2024.

We would like our prospective students to see our school facilities that are really special to us; an outdoor climbing wall, 3G all-weather pitch, purpose-built food technology room, Engineering room, CAD suite, Science labs, Sports Hall and Chapel. To meet our School Chaplain, Pastoral House Teams and our incredible teachers that make Ursuline College truly unique and special.

We aim to give a glimpse into what Secondary School life will be like for our prospective students and to show them what it means to be an Ursuline student. Being part of a national and worldwide network of Ursuline schools, we share common goals focused on academic excellence, service in the spirit of St Angela, embedded pastoral care and developing our young people as leaders. We are proud that we have excellent teaching in place with a curriculum that provides depth, breadth and challenge, with opportunities for students to develop their passion for learning.

Our motto, 'Serviam, I will serve', underpins every aspect of our school. Throughout his life, Jesus served his community. He was there to listen, respond, heal, encourage, forgive, comfort, teach and challenge. As parents and teachers, ourselves, we are invited to do all these things; to walk alongside our young people, who lead by example and instil values in them with an attitude full of hope and understanding that each one of us is unique.

The taster days are on the 2nd or 3rd of July. Schools will be allocated a day depending on numbers. We would ask the students to be dropped off at 9.30am and be picked up at 2.30pm on their selected day at Ursuline College and we will be in touch directly with more information closer to the time. Complete the application form to book your place.
